

KaliaSPEC

FOR PROFESSIONALS

PROUDLY
CANADIAN

Kalia is a world-class Canadian designer and manufacturer of distinctive plumbing products for the kitchen and bathroom. A leader in design and an innovative company, Kalia stands out for the exceptional quality of its realisations due to the meticulous work of its design studio.

It is our commitment to innovation, durability and lasting partnerships that sets us apart. Kalia is proud to offer products made from superior quality components.

A universal product offering, for your projects

To meet the professional's needs and offer them innovative, sustainable and accessible solutions, Kalia has developed the Kalia SPEC line which offers a range of products adapted to the reality and characteristics of today's real estate projects.

The Kalia SPEC line offers kitchen faucet collections, complete bathroom collections as well as shower doors and bases for quick and hassle-free assembly.
