GRAFIK FAUCET, EKLA LAVATORY SINK

Everyday
elegance

These beautiful lavatory and vessel sinks truly are works of art. In addition to being elegant, these sinks are made of robust materials that are easy to keep clean. With ample dimensions, clean lines and refined looks, there's sure to be one perfect for you.

KONTOUR FAUCET, KALM LAVATORY SINK

CONTEMPORARY REFINED DESIGN • AMPLE SIZE • SPACE FOR DAILY ESSENTIALS

Features:

- Recessed installation
- Made of white glossy Castylat™
- Integrated overflow (chrome finish)
- Pop-up drain can be installed
- Easy to clean and maintain
- 10-year limited warranty

Material:

Castylat™ is a solid, homogeneous polyester/mineral blend. Its glossy finish and highly resistant coating ensure durability and incomparable luster. This material retains its pure whiteness and provides for very easy maintenance.

A variety of optional push drains:
